THE BOARD COMPLETE.

B. L. Smith, of Rushville, and Mrs. Sarah E. Pittman, of Bloomington, appointed on the Knights-town Board.

The Governor yesterday completed the make-up of the Board of Trustees of the Soldiers' Orphans' Home and Asylum for Feeble Minded Children, by the appointing as Trustees Hon. Benjamin L. Smith, of Rushville, and Mrs. Sarah E. Pittman, of Bloomington. Mr. Smith is a leading lawyer of Rush County, and is respected by all who know him for his sterling worth of character and strict attention to business. He is a Democrat in politics, was Captain of a company in the Sixty-seventh Indiana, and served with credit during the war. He is said to have been a general favorite with his men, and is popular with the soldier element.

Mrs. Pittman has long been identified with the charity work of Bloomington and Monroe County, and is known in literary circles as a writer of a number of poetic gems. During the last campaign she composed several of the songs sung by the glee clubs of the county, and she is now a regular contributor to an Eastern magazine. Her first husband was killed in the war, and her present husband was a brave soldier. As two of the Trustees served in the army, and the third is a soldier's widow and a soldier's wife, there is no probability that the orphans at Knights-town will suffer for want of sympathy or care on the part of the new Board.

The Test of Eight Years!

C. took Warner's Safe Cure in 1878, and December 29, 1884, he wrote: "Warner's Safe Cure in my case effected a permanent cure, and for five or six years I have experienced no trouble from what was a serious kidney affection."

Fifteen Years!
John L. Clark, M. D., Waterloo, N. Y., in 1861, was prostrated with Bright's disease, crick in the back, rheumatism and malaria. From the latter he had suffered for fifteen years without help. In 1884 he says: "Warner's Safe Cure cured me and I am sound and well." If you doubt, ask your neighbor!

Fifty Millions of Them
There are 50,000,000 of people in this country, and more are coming every day. Last year more than 700,000 bottles of Brown's Iron Bitters were sold, and the demand is rapidly increasing. This shows the great popularity of this wonderful iron tonic. A popularity based on actual merit, and complete success in the treatment of debility, dyspepsia, rheumatism and liver troubles. Mr. W. H. Fleming, 631 North Twelfth street, Philadelphia, says: "I have used Brown's Iron Bitters with the happiest results, for toning the system and for loss of appetite."
